

# Sponsorship Consulting

## OVERVIEW

We focus on the following areas that are critical to your sponsorship success:

- Identification of your organizations assets: What you have to sell, and what your member's are buying and determining the value of these assets.
- Review or develop an overall sponsorship strategy
- Review or build a sponsor evaluation strategy (who is sponsoring NOW, who has potential going forward).
- Consulting as needed or ongoing

---

## SERVICES: OUR PACKAGES START AT \$7,500

- Includes initial consultation with internal team
- Includes review of current sponsorship assets
- Includes interviews with key stakeholders
- Includes report with suggestions for changes and maximizing revenue
